

CLASSES IN **BLACK TEXAS HISTORY**

**EACH MONDAY EVENING BEGINNING FEB. 19TH
6:30 – 8:30 PM**

MATCH CONFERENCE ROOM 2ND FLOOR
3400 MAIN STREET
\$5 DONATION

NAOMI CARRIER, Educator and Historian begins this third series of classes with Nile Valley contributions to civilization. Did you know that thousands of years ago Africans created agriculture, architecture, art, and literature? Writing was first developed in Africa. The calendar, clock, astronomy, systems of government and law were institutions first developed in our Motherland. When we learn, we embrace our history. This series continues through the Atlantic slave trade, slavery, and the Civil War.
